

Federal Communications Commission

To Whom It May Concern:

I wish to file a complaint with the FCC regarding the weakening of Indiana's Telephone Privacy law.

It has been brought to my attention that the Consumer Bankers Association (CBA) "is attempting to impose the federal 'established business relationship'" in order to make unsolicited phone calls.

I signed up for the list in order to avoid being troubled with annoying phone calls during my evening hours and would appreciate it if my wishes were considered of that of big business.

Sincerely,

Rudy Cavazos
